

All teams are expected to enter a playoff category which corresponds to their demonstrated team capability. It is Softball Alberta's responsibility to seek to achieve this result and have meaningful competition. If it is brought to the attention of Softball Alberta through a written complaint accompanied with documentation to substantiate the complaint and a deposit of \$300.00, (prior to June 10th) by an affiliated member that a particular team has entered a category which creates unfair competition then the situation will be dealt with in the following manner:

- a) The team in question will be notified (via email & a phone call) of the written complaint.
- b) The District Organizer or an appointed designate for the Zone in question, will be responsible to collect any and all relevant information, to observe the performance of the team in question as well as the other teams entered in that category and interview coaches and other stakeholders.
- c) The District Organizer and/or appointed designate will then forward their evaluation and report to an appointed Committee of the Board of Directors of Softball Alberta (the Hearing Committee).
- d) The Hearing Committee in consultation with the District Organizer and/or an appointed designate will then have the responsibility to determine whether or not the team in question has been entered into the appropriate category of play.
 - i. Any decision made by the Committee will be made at least 10 days prior to the playoff dates of the suggested appropriate category and prior to July 1st of the current year.
 - ii. The Executive Director will advise all affected parties of the decision of the Committee.
- e) Any affected party may appeal the decision of the Hearing Committee by doing so in writing to the Executive Director within 48 hours. The appeal will be dealt with the same manner as in the "Right to an Appeal" section of Article I.

If the final decision supports the written complaint, the \$300.00 deposit shall be reimbursed to the affiliated party making the complaint. If the final decision goes against the written complaint and the decision is appealed for a second time, the \$300.00 deposit will be NON-REFUNDABLE.
