A. STANDINGS AT COMPLETION OF THE QUALIFYING ROUND

Teams are RANKED after the Round Robin games based on:

1. WIN / LOSS record (no tie games in round robin)
2. Games played against each other.
3. a) Total Plus/Minus of all games – (runs **For** minus **Against**) with a maximum (+/-) per game being:

Adult FP Categories	7 runs
---------------------	--------

- b) Least runs allowed in all games by each team
- c) Total runs scored in all games for each team
- d) Positions settled by a coin toss

NOTES:

- a) No team will be eliminated by criteria 2 or 3 – a tiebreaker game is required
- b) When using criteria 2, if one team has beaten all the other teams who they are tied with, then that team will be ranked highest regardless of whether or not the remaining teams have played one another.
- c) The final score of a game is also the score used for tiebreaking purposes. (Softball Alberta no longer reverts back to the last full inning).
- d) If the home team is ahead when the game is over, the home team does NOT bat or complete their bat at the bottom of the inning.

B. TIEBREAKER GAMES

1. The above criteria ranking establishes the standings after completion of the qualifying round.
2. If there is a tie for the last playoff position; tie breaker games between these teams will be played, with ranking used to determine pairings in the first round, as follows:
 - a) Number of games played will be equal to number of teams minus one (1). [E.g. Two teams = 1 game, Three teams = 2 games, etc.]
 - b) If odd number of teams, the team ranked highest receives a bye in the first round.
3. If no tiebreaker games are required, then the Championship round may begin in the time slots reserved for tiebreaker games.
