

PROVINCIAL CHAMPIONSHIP BIDDING INFORMATION

- I. Bidding, obtaining and staging a Softball Alberta Provincial Championship can be a very rewarding experience for any team, league or organization. Provincial Championships are Softball Alberta's premier events, giving cities and communities a chance to showcase their facilities, players and hospitality.

Hosting a Provincial Championship can provide the Host Community and/or Organization with a lifetime of memories as well as other significant rewards such as:

1. Promoting a greater awareness of your community and the unique talents and resources of local volunteers and sponsors.
2. Providing local players with a chance to match their abilities against the best in the province and, by doing so, improve the long term growth of softball within your community.
3. Provide an opportunity to bring financial rewards to your organization by combining the hosting of Championships to accommodate a larger number of teams and spectators.

This bid application represents your initial commitment to host a Provincial Championship. Since the bid requires the Host Community to present a complete and realistic picture of their resources and plans, you must ensure the accuracy of these resources. Only the bids that are completed in FULL will be considered.

II. APPLICATION AND APPROVAL PROCESS:

The following describes the Softball Alberta's approval process for all Provincial Championships.

1. Preparation and submission of the 'Bid to Host' package enclosed.
2. Applications will be accepted by the Softball Alberta office prior to September 1st (or prior to the September Board of Directors Meeting) for review / selection at the September meeting. After this initial September Board Meeting for all bids not awarded, subsequent applications are reviewed periodically until February, after which applications will be on a "first come first serve" basis. Communities must still meet the minimum requirements.
3. Submissions must include:
 - Bid application
 - Letter of support from nearest Umpires Branch | Signed 'Umpire / Host Contract'
 - Description of the facilities & booking confirmation
 - List of available accommodations and if any other activities are planned.

Once this is all complete, it must be submitted to your Zone District Organizer who will then review the bid and if it complete, the Zone District Organizer will then complete their "Letter of Support" and then they will submit the bid to Softball Alberta.

*** PLEASE NOTE: This is also all covered in the actual 'Bid to Host' application form.
