One coach must also be the same gender as the team and have *Foundations of Coaching Softball Part 1* PLUS either *Safe Sport Training* OR *Make Ethical Decisions Online Evaluation* complete on their NCCP transcript. **This coach must be in attendance at all games and on the team's bench during provincials.**

2. Pickup Players:

Teams are allowed a **maximum** of 2 pickup players for provincials to fill out their roster but CANNOT DROP or RELEASE players for the purpose of picking up. These pickups may only be selected from affiliated teams (in the same Zone as the Provincial team), and of teams in the same classification or lower. (Players can ONLY be picked up once).

- The **maximum** roster size is 17 players. Pickups are NOT placed on the actual roster form; they should only be on **Player Release Pickup Forms** which are available on the Softball Alberta website.
- The Softball Alberta office MUST sign these forms prior to the Provincial event after verifying the pickup's affiliation
- Teams may have on their roster up to 2 overage players for the purposes of Provincial play. These players must be players who are only 1 year advanced from the current playing category of the team in question.

4. The Game:

7 innings constitute a legal ball game, except if tied after 7 complete innings or expiry of time limit. If the game cannot be completed due to time expiry, rain, darkness, etc.; 5 innings or expiry of time limit constitutes a legal ball game

STANDINGS AT COMPLETION OF THE QUALIFYING ROUND

Teams are RANKED after the Round Robin games based on:

1. WIN / LOSS record (no tie games in round robin)
2. Games played against each other ^(b).
3. Runs For/Against with a maximum per game being ^(c & d):

| | |
|----------------------|--------|
| U17 & U19 Categories | 7 runs |
|----------------------|--------|

4. Least runs allowed in all games by each team
5. Total runs scored in all games for each team
6. Positions settled by a coin toss

NOTES:

- a) No team will be eliminated by criteria 2 or 3 – a tiebreaker game is required
- b) When using criteria 2, if one team has beaten all the other teams who they are tied with, then that team will be ranked highest regardless of whether or not the remaining teams have played one another.
- c) The final score of a game is also the score used for tiebreaking purposes. Softball Alberta no longer reverts back to the last full inning.
- d) If the home team is ahead when the game is over, the home team does NOT bat in the bottom of the inning.

TIEBREAKER GAMES

1. The above criteria ranking establishes the standings after completion of the qualifying round.
2. If there is a tie for the last playoff position; tie breaker games between these teams will be played, with ranking used to determine pairings in the first round, as follows:
 - a) Number of games played will be equal to number of teams minus 1. [E.g., Two teams = 1 game, Three teams = 2 games, etc.]
 - b) If odd number of teams, the team ranked highest receives a bye in the first round.
3. If no tiebreaker games are required, then the Championship round may begin in the time slots reserved for tiebreaker games.
